

## 2022 Sponsorship Opportunities

.... Helping Pediatric Cancer Families Today

***Casting For The Kids is a non-profit Foundation that supports families battling pediatric cancer. When families receive the news that their child has cancer their world stops. Unfortunately, everyday life does not stop. They still have careers and bills to pay, not to mention the new medical bills that will be coming in. Casting For The Kids makes sure these families can be with their children and not at work. Casting for The Kids supports families by paying their mortgage/rent, utilities, and offers memory making trips.***
